I am a veteran and I support the troops, but 911 was done by our own administration and the war in Iraq is ILLEGAL!

All three buildings on 911 fell at FREEFALL SPEED!

Demand a NEW investigation into 911.:angry:

Hello everyone...just want to say that my family and I support everything you're doing and we are here to help. Let's bring this country together and rally more support for our troops!

All the best,

Sincerely,

Paul
